Our initiatives will be to

- Provide consistent and targeted programs in years 1-3 which ensure all students are taught at their level of performance.
- Regularly collect and analyze data to provide goals for every student in all areas targeted.
- Reduce teacher to student ration
- Create small ability groups for targeted instruction, thereby allowing teachers to focus on a finer number of abilities per group.

* Funding amount estimated on 2015 data. Actual funding will be determined after 2016 enrolment data are finalised.
