From the Principal

Merry Christmas

To the entire Kalbar community, I wish you all a very Merry Christmas. It is a delight to work in this beautiful community. Thank you to everyone who supported the school.

I look forward to working with you all again in 2017.

Class Lists

Class lists are available to view outside the admin area and at the front gate from this afternoon. They will be displayed again tomorrow and during the week prior to school commencing in 2017.

The school reserves the right to alter classes based on unforeseen circumstances. The list is based on an 8 class model. Should there be further enrolments, this may change to a 9 class model early next year. This would change the class configuration. This would be a change for the better only if enrolments increase.

Appeal for Lutter Family

Over \$430 was raised for the Lutter Family last week. Tammy is now out of hospital. Unfortunately Aaron's dad has just broken his leg today, which will put even more stress on the family.
