Principal Report

Regional Athletics

Congratulations Ani and Neva on your selection into the Western Rangers Athletics Team. You should be very proud of this achievement.

River 94.9

You may have heard that Kalbar Independent State School has some up and coming radio announcers. Congratulations Piper, Alicia, Eliza, Holly MS and Ava for reading the 94.9 weather so professionally.

Book Week

This year our book week theme is "In Search of Treasure". Students can dress up as characters who are searching for all kinds of treasure.

Encouraging good behaviour

Children do as you do. Remember your child watches you to get clues on how to behave in the world. You are their role model, so use your own behaviour to guide them. What you do is often much more important than what you say. If you want your child to say 'please', say it yourself. If you don't want your child to raise their voice, speak quietly and gently yourself.

Debts

To ensure that your child is able to participate in future camps/activities, please ensure that any outstanding debts are settled. Thank you.

Mr Damien Butler
Principal

Physical Education News

This week Johanna C and Riley M are receiving the sports award for supporting and encouraging their peers to have fun and do well during physical education lessons. Congratulations !!!

P&C

Our next P&C meeting is on 21st August at 7.30pm. Please come along and join us. It is a great way to keep up to date with upcoming school events, excursions and general happenings, as well as have your input on how to improve the school as a whole. Whether you have been at the school a short time or a long time we want you with us.

Father's Day is drawing near and our annual **Father's Day Stall** will be running again this year. On Thursday **30th August** the students will have a chance to purchase some wonderful gifts for their Dads. Our hard working fundraising coordinators, Linda and Kristy, will be there but they **need some help** to set up and man the stall on the day. If you are free to help set up and/or serve the children on the day please let Linda or Kristy know. Your time will be VERY much appreciated.

Save the Date! Our next school disco will be on **Friday 31st August**. This one will be bigger and better than any before. Don't miss it!

This Week's Reading Tip

Make books important

Turn off the TV and devices and read for half an hour. Talk about what you are reading and/or read with your child, depending on the age group. Sitting in the same room and reading independently can send strong messages about enjoying books.

Set up some correspondence

Arrange for a family member or friend living away from you to correspond with your child via mail or email. Even young children who may need help reading the letters/emails will enjoy receiving and sending correspondence. Friends and family will love receiving a return letter or email from your child!

War on Waste

With the current theme of recycling and reducing waste – we are looking at ways to do this at school.

Composting of our food scraps has begun again. I am hoping to reinvigorate the veggie patch as part of a Math for Life program I am running. Ways you can also help reduce school waste are:

- Use small plastic containers instead of soft plastic in lunch boxes;
- Wrap items in paper or beeswax wraps;
- Reuse plastic snap lock bags; and
- Buy things that are in recyclable containers.

Thanking you and watch this space for more tips on how to reduce waste and care for our environment.

Chaplaincy News

I am planning to run the 'Triple P' Teen Seminar Series later this term for parents of students in Grades 5 & 6 on the following dates –

"RAISING RESPONSIBLE TEENAGERS"

* Monday – August 20th - 1pm to 2.30pm

"RAISING COMPETENT TEENAGERS"

* Monday – August 27th - 1pm to 2.30pm

"GETTING CONNECTED" TEENAGERS

* Monday – September 3rd - 1pm to 2.30pm.

A parent who attended the seminars last year said – "I like how the 'Triple P' program covers a wide variety of topics and we were able to share all of our ideas with each other".

Another parent said - "It is great knowing I am not alone. I learnt to have more realistic expectations and punishments. I am learning to adjust to their age - giving increased responsibility and then they are gradually gaining more independence."

All seminars will be held in the Kalbar School Learning Centre (next to the library) and are for parents of children 10-16 years. Please mark the dates on your calendars!

I am at school on Monday and Friday each week. Please come and have a chat when you see me.

Kind Regards,
Karen Turner
