Kalbar State School Newsletter • Issue No.30 • (14 September, 2017)

## Principal Report

Congratulations Kalbar State School for organising and hosting an amazing Under 8's Day. A special thank you to Mrs Schumacher and Mrs Bullock for all their hard work.

## Go Gold for September

Thank you all for supporting Go Gold September. It was a sea of gold that greeted me today and our support has been widely appreciated. Nearly \$376 was raised for Childhood Cancer.

## Lost Property

Parents, there is a mountain of clothing items that have been unclaimed. Please check at the office.

## Supervision

There are still a few students playing after the 3pm bell in the Prep play area. As there is no supervision provided there, all students are expected to wait in the under-cover area. Thank you for your support concerning this matter.

## No Hat - No Play

Please remind your children about the No Hat-No Play Rule. I have spoken to the students about the importance of being Sun Smart and always wearing a hat. I expect the students to be wearing a hat even when they are waiting in the under-cover area before school.

## 2018 P&C Committee Members

If you are interested in being involved please contact me.

Please make sure you enjoy the holidays and be safe.

## HPE NEWS

### INTERSCHOOL SPORT

Last Friday was our last round of interschool sport. It was lovely to see the students enjoy themselves over the past three weeks and make new friendships with students at other schools. Thank you to the parents who came along to support our Kalbar kids.

### GALA DAY

Tomorrow, students in Years 3 – 6 will be attending the soccer/netball gala day. This day will run similarly to last term's gala day with students playing multiple games across the day. The day will be about participation and enjoyment and therefore scoring will not take place. Boonah SS will be running a canteen on the day and we are also hoping to have development officers from Football Qld come out and talk to the students. Parents are most welcome to come along and support their children. Please be at school by 8:45am as the buses will be leaving at 9:00am. Ensure children have plenty of water, sunscreen and healthy food. Please check that a hat is in the bag and that all items are clearly named. As some teams have a bye during the day, it is a good idea to take a book, pack of cards or something to keep them quietly busy. It is not a good idea to allow children to take any expensive items that may be lost, broken or stolen. There will be a normal school day in the event of rain. Hopefully the children can have a very energetic and enjoyable day.

### Swimming in Term 4

Next term our Prep – Year 3 students will be attending Boonah Pool for swimming lessons. This will remain the same as previous years with students travelling to and from the pool by bus. Permission notes and further information regarding this will go home early next term.

All absences must be recorded through the office.

## This Week's Reading Tip

Holidays shouldn't mean taking a break from learning, especially reading. Studies show that most students experience a loss of reading skills over the holiday period, but children who continue to read will gain skills.

Efforts should be made during the holiday break to help children sustain reading skills, practice reading and read for enjoyment. The Boonah Library is a great place to visit... and it's free.

## Moreton Island Year 5 Camp

### Chappy News –

Last week I had the privilege of attending Moreton Island Camp with our grade 5 students. It was a fantastic opportunity to experience new things, have fun, build friendships and learn about being a leader and working in a team. I was especially impressed with how students helped each other out when they needed it. It was a unique and exciting experience for all involved.

I hope you have an enjoyable spring break and I look forward to working with you and your children again next term.

Kind Regards,  
Karen Turner.
