Principal Report

I would like to thank Bruce and Denise Morecombe for visiting Kalbar State School to deliver their safety presentation. I know the students now have a far greater knowledge and understanding regarding stranger danger and personal safety. I would also like to congratulate the students for the manner in which they behaved and interacted during the presentation. Before Bruce left he told me that they use Kalbar State School as a model for other schools. To clarify, Bruce was talking about the way in which the school and the community support the Day for Daniel. Well done everyone.

Drink Bottles

Could you please not send GLASS water bottles to school as we have had two accidents in the past week.

Physical Education News

This week's sportsperson of the week goes to Edee (Year 1B), for always trying her best and having a big smile on her face during physical education. Edee is a great sportsperson; she always puts in 100% effort and tries her hardest no matter what the challenge. Edee is a great listener, with a very positive attitude when it comes to sport. Keep up the great work Edee!

P & C News

The first event of the year went off well with our Ice-cream Day today being a great success. Thank you to our wonderful helpers, Linda, Kristy, Cara, Jeffrey and Jess, who kept the students and staff cool with their ice-cream treats.

Funds raised from this event will be put towards the first incursion of the year, Bullying "No Way!!", to be held on 16 March. Each year the P&C cover the cost of 4 incursions for the students to a total of approximately \$5000. The staff find these incursions extremely worthwhile for the students, and from past feedback, the students enjoy them very much.

Our next General Meeting will be held on 20 March at 7.30pm in the staff room. Everyone is welcome.
