Kalbar State School Newsletter • Issue No. 27 • (24 August, 2017)

## From the Acting Principal

*What a great day we had.... Whoville Day was a great success. A day that will be remembered by all for many years to come. A day filled with colour, laughter and fun. Congratulations to the students who performed with so much passion and creativity. To all the Kalbar staff, well done!!!!*

*Good luck to the students who will be competing in this Friday's Interschool soccer and netball round robin. Remember, it's nice to win but even better if you play the game in a manner you and your family would be proud of. Don't forget to be a good sportsperson.*

*There are still a few students playing and waiting in front of the Prep building after the 3pm bell. Could you please make sure you have your sons/daughters wait for you in the under covered area as this area is supervised after 3pm.*

*The School Council requires a Parent Representative. If you are interested or would like to find out more about the role please contact me.*

*Have a great week everyone,*

*Damien Butler  
Acting Principal*
