P&C NEWS

Congratulations to the P&C and the Fundraising Committee. The set up last Friday at the Zone Athletics was brilliant. The food was delicious, the drinks cold and it was lots of fun. Thank you to the parents who helped by serving and preparing throughout the day. We appreciate your support.

This Week's Reading Tip

Children feel confident and competent when they read books that are "just right." But how do you find a "just right" book? Have your child read the back and front cover, and first page of the book. If there are more than five words that he cannot pronounce or understand in context, the book may be too challenging. Be supportive about finding a more perfect fit. Choosing the right book will help your little reader feel successful.

Do you think effective reading only takes place at libraries and book stores? Think again! There are reading opportunities everywhere. Go to a greeting card store with your child and read the greeting cards together. Later, vote for the ones whose words convey the best birthday wish or get-well sentiment.

TUCKSHOP

Our students love Friday's because they know that it is TUCKSHOP DAY. Why not surprise your child by being a tuckshop helper. The look on their face when they see you behind the counter is priceless and they love telling their teachers that their mum or dad is helping in the tuckshop.

CHAPLAINCY NEWS

Welcome back – I hope you enjoyed the chilly mornings and sunny days with your families.

Many of our local children attended the holiday program “Treasure Hunt Safari”. It was an action-packed 3 days – enjoyed by leaders and children.

I am planning to run the ‘Triple P’ Teen Seminar Series later this term for parents of students in Grades 5 & 6 on the following dates –

"RAISING RESPONSIBLE TEENAGERS"

* Monday – August 20th - 1pm to 2.30pm

"RAISING COMPETENT TEENAGERS"

* Monday – August 27th - 1pm to 2.30pm

"GETTING TEENAGERS CONNECTED"

* Monday – September 3rd - 1pm to 2.30pm

A parent who attended the seminars last year said – “I like how the ‘Triple P’ program covers a wide variety of topics and we were able to share all of our ideas with each other”.

Another parent said - “It is great knowing I am not alone. I learnt to have more realistic expectations and punishments. I am learning to adjust to their age - giving increased responsibility and then they are gradually gaining more independence.”

All Seminars will be held in the Kalbar School Learning Centre (next to the library) and are for parents of children 10-16 years. Please mark the dates on your calendars!

I am at school on Monday and Friday each week. Please come and have a chat when you see me.

Kind Regards,
Karen Turner.
