## Principal Report

### Bus Behaviour

Could you please remind your children of the expectations while travelling on the bus to and from school. I have been dealing with a few students who have displayed unsafe behaviours. Thank you for your support.

### Encouraging Positive Behaviour

'I hear you.' Active listening is another tool for helping young children cope with their emotions. They tend to get frustrated a lot, especially if they can't express themselves well enough verbally. When you repeat back to them what you think they might be feeling, it helps to relieve some of their tension. It also makes them feel respected and comforted. It can diffuse many potential temper tantrums.

### Kalbar Positions

Mrs Chant and Mr Churchward will be returning to Kalbar State School commencing the beginning of Term 4.

### Book Fair

Don't forget to drop into the hall and have a browse around the many books that are on display and for sale.

### Community Support

A special thank you to Hoopers Flooring Warehouse who have donated carpet squares for the year 5 students to take on camp to Moreton Island.

Principal

## This Week's Reading Tip

### Do things together:

There can be lots of talking, reading and writing involved when planning and participating in family events. These include bike rides, cooking, shopping trips, researching for a day out, working in the garden, visiting friends or family, or planning an outing to a cinema, museum or public event. Get your children involved in the process.

## P&C NEWS

Next week we say goodbye to Mr Butler as he finishes with us and takes on his new role as Principal of Aratula State School. We would like to thank Mr Butler for being such a fantastic Principal for the past year. Thank you for the support you have given the P&C, for the hours you spent at the BBQ, your help setting up, transporting gear, supervising discos and so much more. You will be missed greatly Mr Butler, but you're not that far away, so we will more than likely see you again.

From all reports everyone had a fantastic time at the barn dance disco on Friday. Congratulations to Linda & Kristy for a successful night and thank you to all the helpers in the canteen, on the door, and those who helped pack up. A special thank you to the teachers & support staff who attended on the night to supervise.

Next P&C meeting will be 16th October.

## Chaplaincy News

Thank you to those parents and carers who attended the 'TRIPLE P' TEEN SEMINAR series. I am privileged next week to attend Moreton Island camp with our grade 5 students. It is always a wonderful opportunity for students to gain confidence and enhance their life and social skills.

Kind Regards,
