Principal Report

Year 5/6 Cyber Safety Lesson

A very big thank you to Senior Constable Josh Piper for delivering a cyber safety lesson to our Year 5 and 6 students today.

Key topics the students may want to discuss further at home include: password strength, age limit for social media accounts, safe searching and watching of YouTube clips, playing online games safely, sharing photos online and how to keep their identity safe, cyberbullying and how they can receive help. All Year 5/6 students have received the Kids Helpline phone number.

During our Life Education visits it has come to our attention that students in Year 3-6 have disclosed they talk to people they do not know online. This is very concerning. Please speak to your children and ensure students only play in single player mode or with trusted friends. If your child discloses an incident to you online, block the user and report it to the police immediately.

Cyber Safety Parent Information Session

A cyber safety parent information session will be held in the Kalbar State School Library tonight from 6:00pm. Due to the content of this presentation, children are not permitted to attend. The presentation is suitable for families of all ages. Parents and caregivers in the Fas-sifern are invited to attend this very important evening. Hope to see you there.

Yours in education,
Angela Chant
Principal

P & C News

Tuesday was our last meeting for the year. It was wonderful to see so many in the room. Sadly we said goodbye to some long term

members, as their students graduate Year 6. We wish both them

and their children all the best for the future.

There was much discussed at the meeting and progress was made on revamping the toilet block. A small group has been given the task of organising painting. Over the holidays we hope to make progress with this, so if you can help please let us know.

CONCERT NIGHT IS COMING!!!
We need MANY helpers for concert night, both for food preparation and concert set up. Please contact the office if you can help on Tuesday 11th December to set up, or Wednesday 12th December to pack up.

Our AGM will be on February 19th 2019 at 7pm. Please consider becoming a member for 2019 so that you can have your say on what happens within your school.
